Tell us what's happening We'll take it from there

Three quick questions so the engineer arrives knowing the problem and brings the right parts.

We call you straight back
A real person confirms the problem and tells you how to keep things safe.

An engineer is on the way
You get a flat rate quote first. Nothing starts until you approve it.

Fixed, then you pay
We fix it, check it, and you pay once you're happy.

FLAT RATE QUOTE · NO OBLIGATION

Step 1 of 3

What's happening?

Pick the closest one. It takes about 30 seconds.

- Burst pipe
- Leak I can't stop
- Blocked toilet
- Something else

Your local trusted plumber

Plumbing services you can rely on

Reliable plumbing fixes for everything from a burst pipe at 2am to a tap that won't stop dripping. We explain the problem in plain English and agree the price before we start.

- Burst pipe repair
- Blocked toilet clearing
- Overflowing cistern and tank repair
- Washing machine and dishwasher plumbing
- Leak detection and repair
- Tap, valve and stopcock repair
- Radiator and heating pipe leaks
- Low water pressure and hot water faults

No nasty surprises

You'll know the cost before we start

One call-out price covers your engineer's travel, diagnosis and the first hour on site. The rate only depends on the time of day, never on how urgent it is.

1. Flat rate quote first | **2. You approve it** | **3. You pay when it's fixed**

Daytime
Mon–Fri 8am–6pm

£142.80 inc. VAT
£119 + VAT

Extra time: **£78** per 30 mins

Evening & weekend
Mon–Fri 6pm–10pm, Sat–Sun 8am–10pm

£202.80 inc. VAT
£169 + VAT

Extra time: **£96** per 30 mins

Night & bank holiday
Every day 10pm–8am, all bank holidays

£262.80 inc. VAT
£219 + VAT

Extra time: **£114** per 30 mins

Every call-out includes ✓ Travel ✓ Diagnosis ✓ First hour on site

Parts are quoted and agreed before fitting, and nothing beyond the first hour goes ahead without your OK.
